

END SEARCH FOR GAMING ACCUSER

BURLINGTON JUNCTION FAMILY IS RETURNED FROM OMAHA.

OFFICERS FIND WOMAN WITNESS AGAINST 10

Mrs. Perry Smith Informed Prosecutor of Alleged Law Violations—Failed to Prosecute—Had Long Hunt

March 20.—Mrs. Perry Smith of Burlington Junction told Prosecutor Attorney W. G. Sawyers of alleged gambling in her home last winter.

March 21.—Prosecutor Sawyers filed information against fifteen men of that vicinity, charging them with having violated the state gaming laws.

April 5-10.—Grand jury returned indictments against ten of them.

April 8.—Mrs. Smith, informant, subpoenaed as a witness before the jury, failed to appear.

April 9.—County authorities instructed to "go fetch" her reported that they were unable to find her; that the Smiths had moved.

May 1.—Long silence broken when county officers got "wind" that their quarry was in Omaha.

Saturday night, May 1.—Omaha police detectives found and detained Mr. and Mrs. Smith, who refused to return here.

Saturday night, May 1.—Prosecutor Sawyers wired Acting Governor W. R. Painter for requisition papers to compel the Smiths to come here to testify and receive charges.

Monday morning, May 3.—Perry Smith brought habeas corpus proceedings to resist returns.

Monday, May 3.—Requisition papers arrived here from Governor Painter.

Tuesday morning, May 4.—Sheriff Edwin Wallace was sent to Omaha to take Mr. and Mrs. Smith into custody.

Tuesday night, May 4.—Prosecutor Sawyers left here for Omaha with the requisition papers.

Wednesday morning, May 5.—Prosecutor Sawyers appeared at Lincoln, Neb., before Governor Moorehead of Nebraska to resist the habeas corpus proceedings and get the executive to approve the requisition papers and allow the return of the Smiths of Missouri.

Wednesday afternoon, May 5.—Governor Moorehead granted requisition of the Smiths, and denied habeas corpus proceedings.

Thursday morning, May 6.—Sheriff Wallace and Prosecutor Sawyers arrived with Mr. and Mrs. Smith. The four children remained with relatives in Omaha.

Thursday, May 6.—State charges of "keeping gaming devices" placed against each.

Friday, May 14.—Arraignment scheduled before Circuit Judge W. C. Ellison. Big bond expected for their release, should they deny guilt.

That explains why the state cases against the ten men of and near Burlington Junction, charged with gambling, were not tried at the April term of court here, instead of continuing them until September. The prosecuting witness was absent. No charge will probably be placed against Mrs. Smith for refusing to testify before the grand jury.

Among the ten men charged with having gambled in the Smith home were Dick Ware, Dick Hankins, Charles Fennell, Gene Hadden, French Brown, Clyde Fox, Wilbur C. Risser

and Oliver South. They were arrested before the grand jury convened, but their cases were considered by the jury and indictments returned.

SHIP SUNK IN NORTH SEA

Steamer Cathay Hit by Mine or Torpedo—Passengers and Crew Landed.

By American Press.

London, May 6.—The steamer Cathay, bound from Copenhagen to Chinese ports, was either mined or torpedoed late last night in the North sea. It went down in twenty minutes.

The passengers and crew, totalling forty-three persons, took to the small boats and were landed safely at Ramsat today.

PLAN \$1,600 RURAL SCHOOL

Mt. Tabor District, Near Elmo, Votes Bonds for Improved Building—Inspect Iowa Structures.

A real, modern rural school house costing \$1,600, with furnace heat, single seats, modern teaching equipment and playgrounds, is the aim of the patrons of Mt. Tabor district, two miles northwest of Elmo. S. G. Williamson, president of the board of that district, was in Maryville today to see Bert Cooper, county school superintendent, about school matters.

He and an architect and a committee, recently went into southern Iowa to view some of the more modern buildings before planning the Mt. Tabor structure. In fact, the present building is said to be much better than many over the county, while the proposed one will be a model rural school. It is to be of frame construction but with all modern equipment.

The district recently voted \$1,400 in bonds at a special election for building the new house, while plans are now being made to vote \$200 more. The bonds were favored almost unanimously.

The Mt. Tabor school has an enrollment of thirty-two pupils and is approved. It has ten days of school yet this term. It is taught this term by Miss Ruth E. Wilson. The members of the board are Mr. Williamson, Earl Hopper and A. E. Carlson.

ARREST IOWA MAN IN AUSTRIA.

Lafayette Young, Former U. S. Senator, Detained on Suspicion—Released.

By American Press.

Vienna, May 6.—Former United States Senator Lafayette Young of Des Moines, Ia., was arrested at Innsbruck, Austria, yesterday on suspicion of espionage. Mr. Young was promptly released with apologies after a few hours delay in the hotel. Mr. Young arrived in Vienna this morning.

Speaking of the incident he said he saw no reason for complaint. He left later in the day for Berlin.

A. WALDIERER IMPROVING.

Parnell Man is Being Cared for at a St. Joseph Hospital.

The condition of A. Waldierer of Parnell, who has been at the Sisters' hospital in St. Joseph for the past month being treated for injuries received in an encounter with Fred and Carter Hass and Fred Willis, at the McCracken farm, northeast of Parnell, is slightly improving.

Mr. Waldierer was shot through the leg and was struck several times over the head. The shot wound healed without any serious consequences.

The blows on the head caused a concussion of the brain, and Mr. Waldierer's condition at times has been critical from this trouble. He is now considered well on the way to recovery.

BURN 1300 CARDS

METHODISTS APPLAUD AND SING BEFORE PUBLIC BONFIRE.

ADDRESS MEN TONIGHT

Evangelist Thurston B. Price Will Give Second of Special Sermons—Final Afternoon Meet Tomorrow.

While a group of 150 or more men, women and children stood singing and applauding, the torch was set at 9:45 o'clock last night to a heap of over 1,300 playing cards in front of the First Methodist church, marking the climax of the Methodist campaign against card playing. Though a slow drizzle was falling and umbrellas were welcome adjuncts, the group stood intently watching the licking flames slowly but surely consume the paraphernalia of many a happy hour.

At the close of last night's services at the church Evangelist Thurston B. Price announced a bonfire. Immediately the decks of vari-colored and decorative cards were hauled to the limelight and dumped in a box. The total was twenty-five decks, among them being "brand" new decks, badly discolored and battered ones, and one "baby" deck of cards, about one-third the size of the regular playing cards.

All Added in Bonfire.

The Rev. G. S. Cox, church pastor, produced a bottle of kerosene, the Rev. C. Norman Guice, singer, the matches and paper, and all was ready for the public annihilation of the cards. Then came the singing. As the flames cast a rather light glow over the crowd, the song "Brighten the Corner Where You Are" was begun and taken up by the group, followed by applause and the singing of "Old Time Religion."

But the pile of cards burned publicly did not represent all that went up in smoke as a result of Evangelist Price's campaign against card playing. It is said. Many members of the church and others have frankly said they held individual bonfires at home rather than submit to the humiliation of contributing to a public demonstration.

Final Afternoon Meet Tomorrow.

The Rev. Mr. Price will preach tonight on the subject "What Shall the Twentieth Century Man Do With Jesus Christ?"

Tomorrow afternoon at 3:30 o'clock will be the last of the special services for women and girls, at which time Mr. Price will deal with the subject "Lot's Wife Looking Back."

Last night Mr. Price's sermon subject was "The Modern Business Man's Blunder," the words of the text being "And in hell he lifted up his eyes, being in torment," taken from the gospel of Luke.

Tainted Money.

In speaking upon the subject, the evangelist said:

"I believe the man of my story was a man like hundreds of thousands of our business men. He was a man that had his eyes on his business. I like to see a man make a right good job of some one thing that he tackles. I like to see a man that is big enough to concentrate his mind on his business."

"This man was a man that had his eye on the success of his business, and surely he is to be commended for that. Surely he deserves honor for being a successful, honest business man, that made good. There is a whole lot of ranting and panting about riches and everlastingly turning the guns on the rich man that is ridiculous and false."

"The biggest trouble with most of you on this tainted money question is because it 'taint' yours."

"There is nothing to be criticised in this man's life, if he lived honestly and legitimately to accumulate a lot of money. He was a man that had his eye on the welfare of his family from a material standpoint, and that is certainly commendable. If there is any redeeming, saving trait in the life of an unredeemed, unreligious man, it is the man that provides for his children and home."

"Glimpsed the Glory Land."

"But he waited to lift up his eyes toward God until he was in hell, and it was everlastingly too late. He proved himself to be a big man, but he was not big enough to possess his fortune, instead of that fortune possessing him. And then when it was too late to be a saved man he raised up his eyes from the pit of hell, being there in the pit of torment."

"This man had just one great weak trait in his character. He was a man that had absolutely formed inattention to the major things. He was a man

MANY TO ENTER CORN SHOW

178 Nodaway County Boys, Between 9 and 17, Would Grow Crop for Prizes.

Applications to enter the seventh annual corn show and contest to be given here next fall by the Nodaway County Agricultural and Domestic Science association have been already received from 178 boys from all parts of Nodaway county by Prof. Bert Cooper, manager. More are expected through the spring and summer. Boys are requested, however, to make entry as quickly as possible.

A great many girls also have signified their intention of joining in the agricultural and domestic science contests. With the offering of more and larger prizes this year, it is believed, the contest will be more spirited than ever before.

WILL COLLECT MAGAZINES

Proceeds to Apply on Women's Public Rest Room Maintenance.

The second annual magazine collection made by the City Federation of Women's Clubs will be held Saturday, May 8. The proceeds of this collection are to be used for the maintenance of the women's public rest rooms, a work which the club women have assumed. The magazines are shipped and sold to the General Paper Stock company of St. Louis.

A request is made that all magazines be tied with stout cord, in bundles of uniform size, and placed on the front porches of the homes early Saturday morning. The town is being districted under the direction of Mrs. Berney Harris and Miss Jessie Parcher, and ten autos have been offered for the work. The collecting will begin early Saturday morning. The magazines will be stored until shipped in the vacant building on the north side of the square.

INVADE NODAWAY COUNTY TODAY

More Than 100 St. Joseph Trade Boosters Visit Villisca Branch Towns.

More than 100 business men of St. Joseph are aboard a special trade excursion and get-acquainted train which is being operated over the Villisca branch of the Burlington today. The party stopped for a twenty minute visit at Skidmore, ten minutes at Quitman, an hour and a half at Burlington Junction for luncheon, and fifteen minutes at Clearmont.

A march uptown was made at each place and the business men of the various towns greeted, and souvenirs and advertising matter handed out by the trade boosters of St. Joseph.

BUILDING NEW HOME.

Bovards Will Occupy Farm Residence at Its Completion.

The new home being built by Oliver Bovard on his farm, two miles northwest of the city, will be completed within a few weeks and Mr. Bovard and family will move into it. The house is a thoroughly modern structure, and in addition to the new home many other improvements to yard and farm have been made.

Mr. Bovard, who has been interested in the transfer business with his father-in-law, F. G. Shoemaker, will devote his entire time to the farm management.

PROF. CAMERON TO LECTURE.

Normal Agricultural Instructor Will Speak at Blackwell School.

Prof. John Cameron, head of the agricultural department of the State Normal school, will give an illustrated lecture on "Birds" tonight at the Blackwell school, nine miles south of Maryville. The school is taught by Miss Hooper.

TO PAVE 10 BLOCKS

OWNERS SUCCESSFULLY OPPOSE ON TEN STREETS, BELIEF.

SAVE FIFTH AND NINTH

No Remonstrances Yet Filed Against Improving Fifth from Market to Dunn—Vote Favors Ninth.

Probable Paving.

Fifth—From Market west six blocks to Dunn street.

Ninth—From Mulberry west four blocks to Normal grounds.

The adoption of resolutions by the city council last month for paving thirty-nine blocks on twelve separate streets of Maryville, has brought forth remonstrances of resident property owners on each street, with the result that probably all but ten blocks will be "killed" when the final time for presenting remonstrances comes tonight. Remonstrances on all but one street had been presented this morning. One will not carry, it is said.

While there have been many in favor of the improvements on each street proposed for paving, those opposing the move have succeeded in getting a majority to oppose in most instances. The cost has been the reason for opposing.

Feel Well Satisfied.

But even if the ten blocks go through, city officials consider the effort well made, and that it will be just that much more improvement for the city. Few of the remonstrances carried big majorities against the paving, some only by a small margin. In fact, the determination of whether a paving on several streets has been "killed" will not be definitely known until M. A. Peery, the abstractor, and other city officials inspect the property abstracts.

Their report will be considered when the council meets tomorrow night to decide on what streets to pass paving ordinances in keeping with the resolutions. The law provides that where the council takes the initiative, resolutions and grade ordinances must first be adopted, then the resolutions published and ten days time be given in which remonstrances shall be filed. That time expires tonight. The council meets tomorrow night.

Insures Ninth Street Paving.

A remonstrance was recently filed against paving Ninth street from Mulberry street to the Normal grounds, about four blocks, signed by six of the twelve property owners within that stretch. E. E. Lloyd, one of the opposers, agreed before the city council yesterday to favor the paving, however. That makes it stand 7 to 5 for paving, insuring its success.

While a remonstrance was circulated against paving Fifth street from Market street to Dunn street, none has so far been filed. It is said only a few property owners oppose the improvement.

Oppose Following Paving.

The following remonstrances have been filed:

Dunn—Second to Fourth, by six property owners.

Mulberry—Ninth to Twelfth, by ten property owners.

Walnut—First to Ninth, forty-two property owners.

Market—Third to Jenkins, thence west to Main, by twenty-seven property owners.

Normal avenue—From west end of paving at Munn avenue to Grand avenue, thence south to Third, thence east to Frederick, six blocks, by fourteen property owners.

These Oppose Paving.

Those opposing the paving on Market street from Third to Jenkins, thence to Main, are:

Mrs. Laura V. Jackson, Miss Naomi Armstrong, Mrs. Mary Jane Lund, A. T. Stephenson, Mrs. E. L. Stephenson, Lydia Ann Wilber, J. F. Roodlofsen, guardian of Mattie Pixler; C. Q. Smith, Ella Smith, Mrs. L. P. Colvin, J. W. Herren, J. E. O'Neal, Q. A. Gilmore, Mrs. E. J. Williams, Mrs. E. J. Williams, Mrs. E. J. Williams curator for Donald E. J. Williams, E. E. Williams, J. D. Richey, president of board of trustees of the First Presbyterian church; L. P. Colvin, Mrs. L. P. Colvin, Mrs. O. C. Hanna, William Doran, Mrs. S. B. Moore, I. Bartram, Harry Stephenson, Nellie Stephenson, Minnie Stephenson and Carrie Stephenson.

These Oppose West End Paving.

Those opposing the paving on Normal avenue, Grand avenue and Third street, are:

F. P. Robinson, James B. Robinson, Jennie Robinson Bell, Rebecca J. Robinson, Hulda Blachley, Mrs. Anna Todd, George S. Reynolds, M. L. Hopper, Florence E. Pettit, Luther E. Forsythe, G. L. Willey, Anna B. Hutchison, A. J. Anderson and Mrs. A. J. A. Agent.

Signers on Thompson.

Those opposing the paving on Thompson street as:

S. L. Beech, C. A. Anthony, Hettie M. Anthony, Lydia May Anthony, M. C. Thompson, W. A. Miller, J. C. Updegraff, Mania Wadley, T. L. Wadley, George W. Harmon, C. A. McCoppin, Carrie McCoppin, H. L. Stinson, G. Matter, Cora E. Trullinger, Mary Hughes, Charles E. Stillwell, Annie A. Stillwell, D. Denning, George Custer, L. L. Holbrook, H. C. Smith, J. A. Briggs, Ellen Briggs, Mrs. Nettie Allender, J. C. Allender, T. J. Wallace, W. E. Davis, Elizabeth F. Davis.

New Walnut Street Fighters.

Those opposing paving on Walnut from First to Ninth not previously announced are:

E. E. Lloyd, A. W. Hawkins, William Glaze, Walter Mutz, Theodore Miller, Mrs. S. J. Mills, Mrs. Ida Adle, Mrs. Henry Carroll, Cella H. Franzell and Bert J. Harrison.

Those who have opposed the paving on other streets proposed for paving have been previously announced in The Democrat-Forum.

COUNCIL DECIDES ON APPOINTMENTS

ALL PRESENT INCUMBENTS MAY REMAIN ANOTHER YEAR.

WANT BENNETT OR ROWLEY FOR CLERK

Favor William Mozingo for Street Cleaner—Propose 10-Hour Ordinance.

New City Appointees.

City clerk—Chester W. Bennett or Burt Rowley.

City engineer—Frank L. Flynt.

City physician—Dr. Frank C. Wallis.

Night policeman—J. H. Killion.

City attorney—W. H. Crawford.

Street sweeper—William Mozingo.

Weighmaster—J. W. Armstrong.

Fire chief—Burt Rowley.

Fire driver—Claude Stultz.

An informal meeting of the city council and Mayor U. S. Wright was held at the Fisher & Murray garage, West Fourth street, last night to discuss paving, street cleaning and city appointments. At that meeting the slate for the next year was virtually agreed upon, it is said. All councilmen were present.

But one change is probable in the list of appointive officers of the city government, in the action the city council will take at its regular meeting tomorrow night. That is in the appointment of a city clerk for the ensuing year. It looks likely that Bennett, clerk for the past year, will be retained, though Burt Rowley is said to be favored by some. The job averages about \$60 per month.

To Retain Engineer Flynt.

F. L. Flynt, city engineer, will be retained at \$100 a month. This position and that of street commissioner was combined last year. While there are times when, it is said, the work in this department is light, at present the paving propositions and street changes are making that one of the busiest offices of the city government.

William Mozingo, who has been employed by the city on street work, recently operating the grader, will be appointed street sweeper at \$75 a month, it was virtually decided by the council last night. It also was decided to present an ordinance tomorrow night providing that the street sweeper shall actually put in ten hours work each week-day, in keeping the streets clean. There is little doubt but that such an ordinance will pass.

Dr. Wallis will be retained as city physician at \$33.33 a month.

W. H. Crawford will continue as city attorney at a salary of \$250 per year and a commission of \$2.50 on each case in police court in which costs are collected.

Killion to Remain Patrolman.

Burt Rowley will probably continue in that capacity at a commission of \$3 per fire attended and \$2.50 for false alarms. The other fireman receive \$2.50 per fire and \$1.50 for false alarms.

J. W. Armstrong, who will continue as weighmaster, gets a commission of one-half on all he receives in that capacity. He averages from \$15 to \$25 a month, it is estimated.

Claude Stultz will be retained as fire driver at \$65 a month.

J. H. Killion, who has been night patrolman since last fall on thirty-day appointments, will likely be retained. He receives \$50 a month.

Whether the appointment will be for a year or by the month as in the past, was not decided definitely last night.

There also may be several changes affected by the appointments tomorrow night in the employment of assistants and laborers by the heads of departments affected by the appointments.

Start A Collection Of Beautiful Guaranteed Souvenir STATE SPOONS

Why not get a set of Souvenir Spoons?

We have made arrangements with the manufacturers of these handsome souvenir spoons so that we will receive each week a limited number of these spoons for one state, and will continue to get them each week until we have your wants supplied. These spoons have become a fad all over the United States, in many places the people paying 25c for them. We are offering the Missouri Souvenir Spoon Friday and Saturday at only 10c.

The handles are tipped with the American eagle and stars of the United States. Beneath these is the official state seal deeply engraved, then appears the name of the state and then a beautiful floral design.

"Guarantee"—This spoon is guaranteed by the manufacturer to be plated with genuine sterling silver 99-1000ths fine, on a basic plating of nickel. If for any reason it should prove unsatisfactory to the purchaser, a new one will be given in exchange.

Come early tomorrow and start your collection with a Missouri spoon. Tomorrow and Saturday only 10c.

Gallagher Dinner Party.

Mr. and Mrs. Charles Gallagher, living south of the city, entertained guests at a dinner party yesterday noon. Plates were laid for Mr. and Mrs. Roland Thomas, Mrs. Samuel Townsend, Mrs. Elizabeth Harbison, Miss Helen Helpley, Miss Vernie Thomas, and the hosts.

To Visit at Montgomery Home.

Mrs. James McAnulty and daughter, Grace, will come to Maryville tomorrow night to spend the week end visiting Mr. and Mrs. J. F. Montgomery and family.

FEELERS CUSTOMERS

The Kesslers report customers greatly pleased with the quick action of simple buckthorn bark, scribe, etc., as used in Adler's. This simple remedy drains the old foul matter from the bowels so thorough that one spoonful relieves almost any case of constipation, sour or gassy stomach. It is so powerful that it is used successfully in appendicitis. Adler's never grips and the instant action is surprising.

Beware of Ointments for Catarrh That Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
Sold by Druggists. Price, 75c. per bottle.
Take Hall's Family Pills for constipation.

ATTEND JOURNALISM WEEK.

Maryville Newspaper Men Go to Columbia to Hear Trade Addresses.

J. F. Hull, editor of the Maryville Tribune, and son Cliff, and James Todd and W. C. Van Cleve, editors of The Democrat-Forum, left last night for Columbia to attend journalism week there this week. Mr. Hull will speak. There will be a number of addresses by prominent newspaper men of the entire country.

DOUBLY PROVEN.

Maryville Readers Can No Longer Doubt the Evidence.

This Maryville citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed. Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit. A. W. Hawkins, Main street, Maryville, says: "I had a weak, sore and aching back. Doan's Kidney Pills gave me relief and I haven't used a kidney medicine since. I can still recommend Doan's Kidney Pills as highly as I did in 1911."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hawkins had. Foster-Milburn Co., Props., Buffalo, N. Y.

GOLD DUST

—it actually works for you
and gives true household service

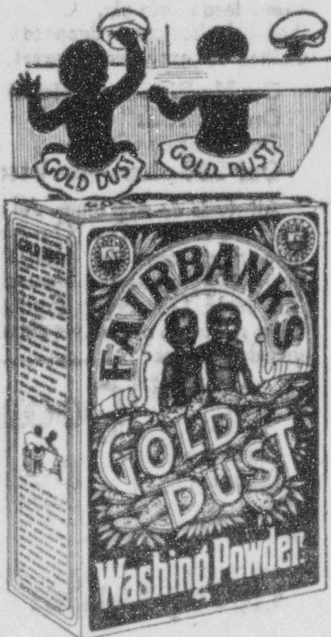

Gold Dust really works. It always works efficiently, thoroughly, quickly and surely.

In millions of homes it is today doing the hard work which is really unnecessary for human hands to do if Gold Dust is used.

Any woman who has washed dishes with Gold Dust truly works for her.

And if she doesn't already know she will be delighted to find out how Gold Dust cleans everything.

The small quantity of Gold Dust required dissolves at once, in hot or cold water, making the ideal cleaning solution.

Gold Dust dissolves and removes grease and dirt from everything. Nothing else works so well.

Gold Dust finds and drives out the dirt in the corners and crevices that cannot be reached by fingers or washcloths.

Gold Dust cleans nickel-work, enameled ware, metal, etc., and does not scratch or mar the polished surface.

That is why Gold Dust is the leading washing and cleaning powder in the world; that is why you will find it on sale everywhere and in use everywhere.

Gold Dust is indispensable and inexpensive—

"TIZ" makes my feet smaller."

Good-bye sore feet, burning feet, swollen feet, smelling feet, tired feet.

Good-bye corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "TIZ" is magical, acts right off. "TIZ" draws out all the poisonous exudations which puff up the feet—the only remedy that does. Use "TIZ" and wear smaller shoes. Ah! how comfortable your feet will feel. "TIZ" is a delight. "TIZ" is harmless.

Get a 25 cent box of "TIZ" now at any druggist or department store. Do not suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.

MOUND CITY IMPROVES SCHOOLS.

Combination Building, Costing \$47,000, Nearly Ready—Lincoln Bent Constructor.

The new \$47,000 combination grade and high school building which is being constructed by Lincoln Bent of this city, will be dedicated June 1, at the close of school.

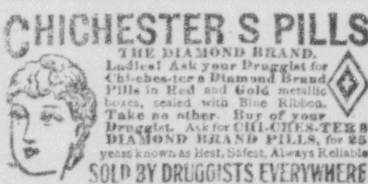

It is of fireproof construction, with exterior faced with vitreous matt brick and cut stone. In addition to two stories there is a basement practically out of the ground. The first floor has nine regular grade class rooms, with broad corridors and stairs. On the second floor there is an assembly room, 42x70 feet, with stage, superintendent's office, library, six recitation rooms, rest and toilet rooms.

The basement contains a heating plant, gymnasium with large seating space, boys' and girls' locker, toilet and shower rooms, manual training and domestic quarters. The entire building will be equipped with program clock system and house with public service telephones.

FARM MILK PRICES LOWER.

Average Price Paid Producers in 1914 Less Than 1913.

The average price paid to farmers for milk in 1914 was 3.804 cents a quart, according to statistics recently compiled by the department of agriculture. This is slightly lower than in 1913, when the average for the entire country was 3.849 cents a quart. As the accompanying table shows, prices varied greatly, according to the season of the year. The average price in January was the same in 1914 as in 1913, the price for March was higher in 1914, and the price for all other months was lower in 1914.

that tied himself to the minor things, and had failed to raise his eyes up to God, which is really the major thing. "Lack of attention to things hardens the mind and the heart to that something. The constant and repeated rejection of the truth has hardened the heart. And in hell he lifted up his eyes. What did he see? I don't think he saw heaven in all its beauty, but I do believe that man looked across the gulf. I believe he got a glimpse of the glory land, so that he realized what he missed.

Hell All the Word Implies.

"I don't know what hell is, and I don't know where hell is, and please God I don't ever intend to know. I believe whatever it is, that it carries all the meaning of that word hell to the average man, if there isn't anything else to it but to be left out yonder in the dark alone, to the ages of memory. I believe hell is all that the word implies if there is nothing else to it, but simply to be left alone with the memory of a misspent life.

"I believe that this man who had taken care of everything but his soul, everything out his interests in connection with eternity, saw the frail things that he had held onto during life. A good business is a fine thing, but the public administrator can take care of it in ten days' time after you leave it. Let's think about things that are worth while. I believe that man looking across the gulf saw that wife and those children, and he begged that somebody might go back and warn them.

"Not only that, but hear me, he saw his own sons with a blindfold on stumbling headlong into hell, and now he wished he could go back and stop them, but it was too late.

"That man raised up his eyes in hell and saw the one that he had scorned and scorned during his life. He begged now that the poor old beggar might be allowed to come down and touch his fingers to the parched lips.

"Just as surely as there is a God in heaven the fellow that refuses and scorns and spurns the help of his brother on this question is going to come day want it when it is too late to get it."

Suppose We Pared These Tires

Suppose this All-Weather tread—now double-thick—was pared to the thinness of the usual anti-skid. Would it endure like this one? Or so resist puncture?

Suppose we used—as some do—one less fabric ply. Or made the whole tire lighter. Suppose we omitted our exclusive features:

Our No-Rim-Cut feature—
Our "On-Air" cure—
Our rubber rivets—
Our 126-piano-wire base.

All rivals do omit them. All of them are costly. Our "On-Air" cure alone costs us \$450,000 yearly to save needless blowouts. But could Goodyear Fortified Tires retain top place if we did not give those extras?

Cost Added
Prices Lowered

Instead of that, we all the time add costly better-

GOOD YEAR
 AKRON, OHIO
Fortified Tires
 No-Rim Cut Tires—"On-Air" Cured With All-Weather Treads or Smooth

We spend on experts \$100,000 yearly to seek out new improvements.

Our All-Weather tread—always double-thick—is made still thicker in some sizes.

Our Inner Tubes have been thickened 14 per cent on the average.

Our fabric has been strengthened.

Yet on February 1st we made our third big price reduction in two years, bringing the total to 45 per cent. Now you are getting in Goodyear Fortified Tires the best value ever known in tire making.

It is due to yourself that you this year join this army of contented tire users. It is by far the largest army in Tiredom. Any dealer will supply you. (231)
